***NOTE TO RECOMMENDER:** The person whose name appears above is applying for admission to one of the United States Service Academies. The Academies provide a college education to qualified men and women who are pursuing careers in the armed services. As Senator Chafee considers making nominations to the Service Academies -- one of his most privileged responsibilities as a Member of Congress -- your answers to the following questions will be helpful in determining the likelihood that an applicant will make a good career officer in our armed forces. Federal and State law may require that all admissions material be shown to a student upon request.

Senator Chafee recognizes that considerable time and effort on your part will go into completing this form. You may be certain that your appraisal of the applicant will be given every consideration. Please seal and sign the back flap of the envelope and return it to the student, who will submit the unopened recommendation with his/her application.

Again, thank you for your assistance in this matter.
